LMP-C121

Replacement lamp for projector model VPL-CS3, VPL-CS4, VPL-CX2, VPL-CX3 and VPL-CX4, 120 Watt UHP

The LMP-C121 is a 120 Watt UHP (Ultra High Performance) lamp for the projector model VPL-CS3, VPL-CS4, VPL-CX2, VPL-CX3 and VPL-CX4.

During its entire lifetime you can rely on a constant light output generated by this lamp.

When making important presentations, it is better to ensure you always have a projector lamp in spare, especially towards the end of the lamp's lifetime.
